

BRIEF DESCRIPTION:

Triple loft EVO pads + Drip Tray DT34

DESCRIPTION:

Drip Tray with 5 triple-loft oil preferential liner pads made from recycled cotton fibres for ultra-low carbon footprint and high performance. Tray can be placed under leaking valves and hoses to catch leaks and drips and prevent floor contamination. Liner pads absorb any leaks and ensure clean and efficient disposal of any oil in tray.

ABSORBENCY / CAPACITY:

4 litres

DIMENSIONS:

41cm x 31cm x 4.5cm
