

BRIEF DESCRIPTION:

Tamper Proof Security Tags

DESCRIPTION:

Tamper proof security tags. Easily identify equipment, parts and machinery by applying a security tag. Once tightened they cannot be removed without cutting, deterring theft and making it easy to identify tampering.

Ideal for tracking equipment in the workplace or clearly identifying parts, equipment and personal effects.

- Strong, durable plastic for long-term use
- 23cm length
- Fit easily through small openings
- Waterproof
- Different colour options available, Red, blue, green, yellow, orange.
Please state colour when ordering.
